

## **Burnsview VEX Robotics Club Team Checklist 2018/19**

This list includes items that **every** Burnsview VEX Robotics team should pack/prepare before a competition. Not everything on this list may be available due to material shortages, but team members should strive to prepare most of these items.

### **1. Basics**

- ☐ Robot
- ☐ Robot storage box (if possible)
- ☐ Licence plates (min. 2 of each colour)
- ☐ Safety glasses (min. 2)
- ☐ Engineering journal
- ☐ Clean up any messy wires on robot
- ☐ Save all programs on laptop

### **2. Electronics**

- ☐ V5 Controller
- ☐ V5 Battery (min. 1)
- ☐ V5 Programming cable (Micro-USB to USB Type A)
- ☐ Programming laptop

### **3. Tools**

- ☐ 3/32" T-handle Allen keys
- ☐ 5/64" T-handle Allen keys
- ☐ Robertson screwdrivers
- ☐ Nut drivers/wrenches

### **4. Miscellaneous (if scouting)**

- ☐ Scouting form
- ☐ Pencils, pens, and highlighters
- ☐ Extra paper
